

## Profit and Loss from Meat Goat Farming Questionnaire 2007

### PART I.

1. Zip Code \_\_\_\_\_ 2. Number of years meat goat farm has been in operation \_\_\_\_\_
2. Please fill out the following table to the best of your abilities.

Approximate number of kids sold from your farm in 2007 that were:			
Purchased off farm and fed up for resale: _____		Born and raised on your farm: _____	
Of these, approximately what percentage were:		Of these, approximately what percentage were:	
Sold for slaughter or meat as Sucklings (still nursing or still on milk or milk replacer)		Sold for slaughter or meat as Sucklings (still nursing or still on milk or milk replacer)	
Sold for slaughter or meat as Market Kids (already weaned at time of sale)		Sold for slaughter or meat as Market Kids (already weaned at time of sale)	
Sold as Breeding Stock or Show Animals		Sold as Breeding Stock or Show Animals	
Sold as other (explain)		Sold as other (explain)	
How many breeding does were in your herd during 2007? _____ <i>(include both yearling and adult does that kidded or failed to kid)</i>			

3. In 2007, how many breed sanctioned shows did your herd compete in? \_\_\_\_\_

4. List the primary breeds represented in your herd in 2006.

\_\_\_\_\_

5. Additional comments: *Please include any additional information that may have affected your expenses or income (i.e.: "our vet bill unusually big because of emergency C Section on favorite goat" or "our feed bill lower than the norm because we raise our own round bales for \$4.00/bale and charge our goat enterprise solely the cost of production). Please indicate if you practice accelerated kidding (i.e.: "in 2007 we successfully bred 75% of our does to kid every 8 months").*

**Please complete the section on the back –  
The questionnaire is unusable without this information!**

(over)

*This questionnaire is designed to be anonymous. Please do not put your name on it. Mail completed questionnaire (both sides) in the enclosed envelope or to our administrative assistant, Victoria Badalamenti, 114 Morrison Hall, Dept of Animal Science, Cornell Univ., Ithaca, NY 14853. Questions? Contact Victoria Badalamenti at 607-255-7712*
